At **The Marr's Bar** we pride ourselves with providing every type of music to all generations of music fans and over the past year or so I have put a few bands on that appeal to the under 18's like **[Sponge], Four Foot Fingers, Tribute To Nothing, Bowling for Soup, Uncle Brian** and loads more. Whilst 95% of you respect the venue, there are some who have left graffiti on the toilet walls and some have even tried to get served with alcohol.

From the first of May 2001, no one under 18 will be allowed into **The Marr's Bar**, unless they are junior members. **Junior membership** will cost **£5.00** for the year. When your card is ready it will be kept at the bar for collection. You can either pop in and pick them up or collect them at the door of your first night in but please call the venue before hand to make sure it's ready before setting out and it must be brought with you every time you visit **The Marr's Bar**.

Print out this form, fill it in and get a parent/guardian to sign it. Post it to **The Marr's Bar**, or bring it in, with a **passport photo** and payment then leave the rest to us.
